FOREWORD

To the Students:

In an ever changing war world which constantly decreases our campus activities and our student body and has changed our gay life to the business of war, it was our paramount desire to create a book of interest to the entire student body. It is our privilege to present you this book containing a review of our high school activities - which to some of us are now treasures, but treasures we did not fully appreciate at the time.

So as you turn through these pages, be ever conscious of the treasures of memories of Richardson High School in the year of 1944-45.

Your Annual Staff

Dedication

In appreciation of the untiring efforts,
both in behalf of the yearbook, and to
our school as well, we, the staff, do
gratefully dedicate this volume of
"The Eagle" to Mrs. Robert Gant, fav-
orite teacher of 1945.

ADMINISTRATION

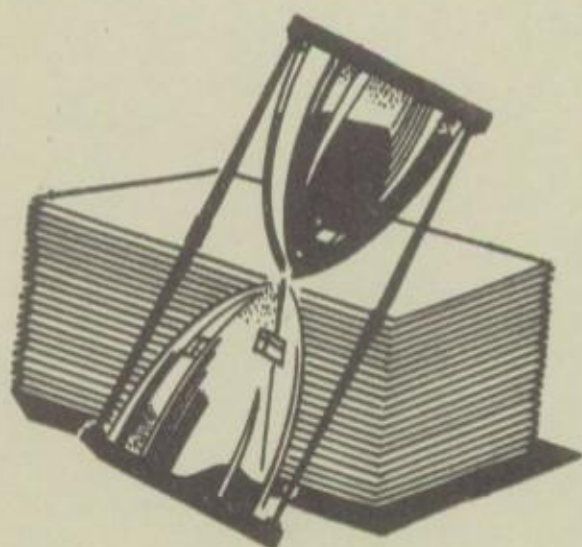

M.S. Traugher
Superintendent

M. S. Traugher

That training for leadership, citizenship and social betterment for the individual may be the dominant purpose of Richardson High School as an educational institution is my sincerest ambition.

It is the desire of those responsible for our educational program to satisfy and improve the interests, ambitions and socio-economic status of those participating in class-room work in this school. Through the satisfying of these wants we hope to be helpful in leading the student to a better understanding of himself and his fellowman, as well as to make an evaluation of his own potentialities, thereby enabling him to live a more prosperous, useful and enjoyable life.

I think you are one of the finest groups of young men and young women to be found anywhere. You have the qualities and ability to accomplish much. My wish for you is that you may have success and happiness in whatever you choose for your life's work.

Future Homemakers

The Future Homemakers is a state association with the members of the two Homemaking classes of Richardson forming the local chapter of the association. The aims and purposes of the club are great in number. The most outstanding is to develop organized interest in homemaking as a vocation. Each student is expected to show a definite interest in the appreciation and improving of her home life, before credit is given for her homemaking work.

The Richardson Chapter of Future Homemakers is divided into two classes, Homemaking I and Homemaking II, each class having its own officers. The two classes work together on most projects. One project was sponsoring a Hallowe'en Carnival with F.F.A. boys.

The Home Economics Club is composed of both first and second year girls.

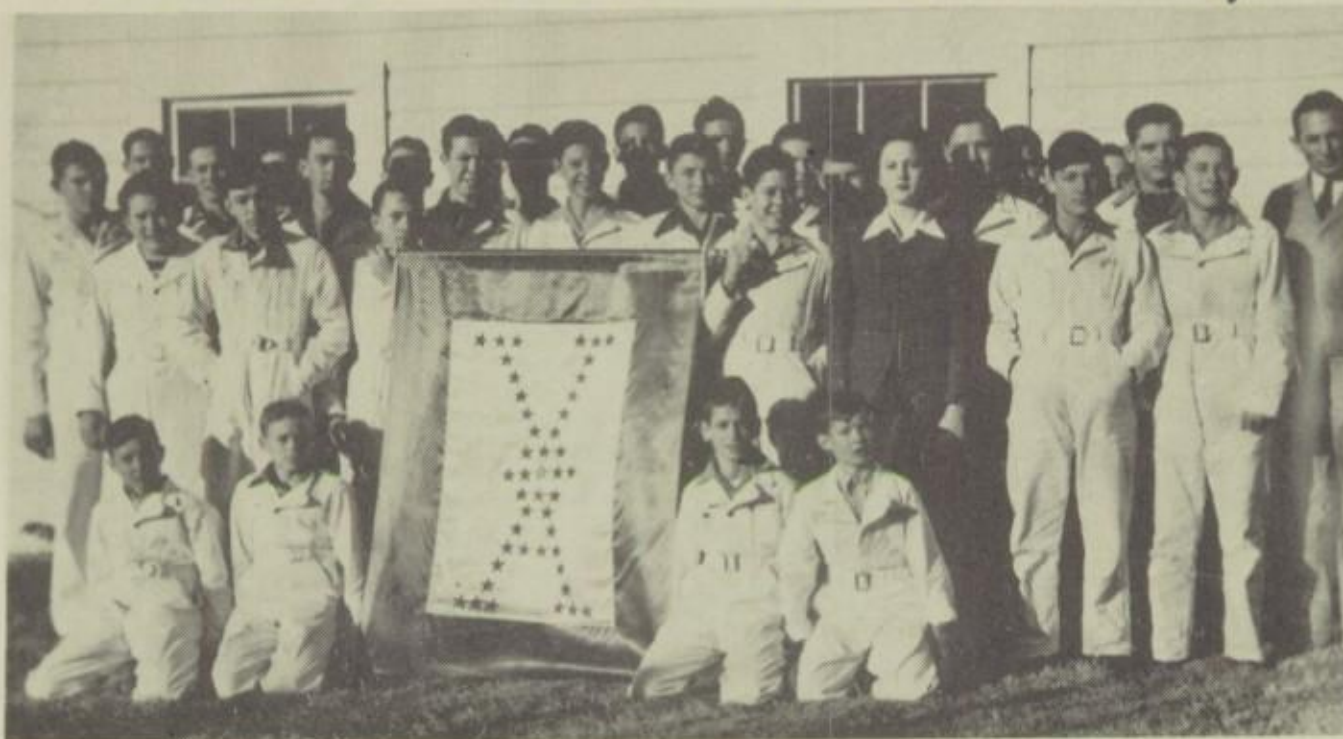

The officers are:

Vice-President - - Glenna Belving

THE HISTORY OF THE F.F.A.

The F.F.A. is composed of chartered State associations made up of local chapters situated in high schools having departments of vocational training. The boys enrolled in such courses constitute its active membership, but provision is also made for associate and honorary memberships.

There are four grades or degrees of active membership - "Green Hand" - "Future Farmer" - "State Farmer" - and "American Farmer." These grades of membership are contingent on definite accomplishment in connection with the vocational agricultural program of the school. Local chapters determine the individual's advancement in the first two grades of membership, the State determines the third, and the national organizations confer the fourth degrees. Specific levels of attainment with respect to farming, earnings, investments, leadership, and scholarship are set up for each degree.

Boy officers for each unit of the F.F.A. - local, state, and national - are elected annually. Each of these units meets at specified times. There are approved forms for conducting meetings, and for passing members to the various degrees. Teachers of vocational agricultural classes serve as local chapter advisers and State supervisors of agricultural education serve as State advisers.

Programs of work built on individual and community needs are carried out by the boys. Cooperation, group, thinking, and purposeful action are displayed in all programs of work.

The F.F.A. was, and is, designed to supplement training opportunities for boys who are progressing toward the goal of establishing a farming business. Through F.F.A. Activities the cooperative spirit is forested and individual talent is discovered and developed. Here is a school of experience in the art of working together for a common good. Members have a splendid opportunity to learn how to deal effectively with themselves as well as with others. The organization embodies the fundamentals of a true democracy.

Football

The Eagles, this year, were not able to show up quite as well as some of our past teams have. One reason for this was that the team was small and light while the opposing teams were usually larger and heavier. In spite of this, the team played some swell games. Many times during the season the Eagles showed courage in the face of defeat.

The hardest game of the year was against Wilmer-Hutchins. Their team was the largest team in the district. They won bi-district.

The seniors who were playing their last game for R.H.S. were as follows:

Bill Myers	Dan Slaight
Burton Myers	Tommy Reddick
Owen Parry	Grady Presley
Jack Weaver	Clifton Cassidy
John Mayes	

Lettermen for the season were:

Bill Myers - <i>Co-capt. - wingback</i>	Jack Weaver - <i>fullback</i>
Burton Myers - <i>Co-capt. - quarterback</i>	Gerald Sauls - <i>guard</i>
John Mayes - <i>blockingback</i>	Odell Hughes - <i>center</i>
Clifton Cassidy - <i>end</i>	Cecil White - <i>tackle</i>
Tommy Reddick - <i>tackle</i>	Ray Day - <i>guard</i>
Grady Presley - <i>end</i>	Ray Johnson - <i>wingback</i>
Dan Slaight - <i>guard</i>	Frederick Spotts - <i>Mgr.</i>
Owen Parry, <i>guard</i>	

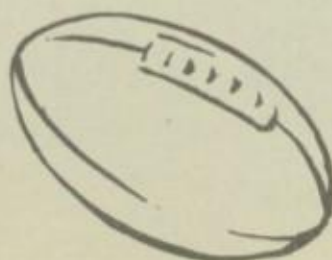

Dan Slaight was chosen by his teammates as the most valuable player of this year.

Because Clyde Walvoord was unable to play the necessary quarters the team bought him a jacket.

Named to lead the Eagles in 1945 was Randell Talley.

The 1945 basketball team consisted of three returning lettermen - Bill Myers, Clifton Cassidy, and Frederick Spotts - and four squadmen.

The Eagles began the season by playing Mesquite. Both teams had just started working out, so it was almost a scrimmage. The boys were defeated by the score of 24 to 16. The next game was with Cedar Hill. The Eagles began to hit and the score came out 19 to 18 in Richardson's favor. After these two pre-conference games, the team swung into the conference by defeating Lancaster 31 to 16. The Eagles were defeated twice by Forney, who won the conference. The worst game of the season came when Richardson came out on the small end of a 43 to 21 score with Forney. The season was ended with the team's playing in an invitation tournament at Ferris. The Eagles beat Garland 34 to 22, but lost to Seagoville later by a 23 to 19 score.

Playing their last game for Richardson were: co-captain Clifton Cassidy, co-captain Bill Myers, Frederick Spotts, and Burton Myers.
